Negotiating Foundation Workshop

Our Negotiating Foundation Workshop introduces aspiring and novice negotiators of all ages and backgrounds to the fundamentals, concepts, terminology, and processes of negotiation. The workshop is delivered by Scotwork experts in one day in person or over two half-days virtually.

Negotiating Foundation Workshop

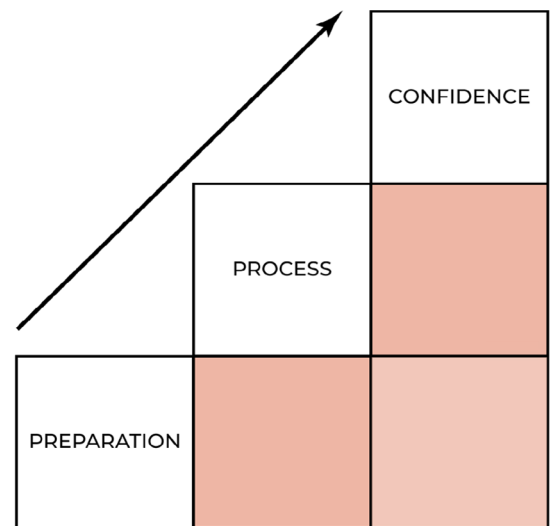

START YOUR NEGOTIATING JOURNEY

To perform at your best in the negotiating room you need to have confidence in your abilities and the conviction to do the right thing at the right time. This workshop is about introducing you to the fundamentals, concepts, terminologies, and processes of negotiation and starting to help you apply some core structure and skills. Participants will leave with more confidence and control to help manage conflict situations and create value at the negotiating table.

THE BUILDING BLOCKS OF NEGOTIATION

The workshop will introduce the building blocks that provide negotiating control and establish a common negotiating language and framework:

- Key negotiating concepts
- The core management steps that underpin all negotiations
- A structured approach to preparation
- Constructive information exchange
- The importance of proposal making

BY THE END OF THE WORKSHOP YOU WILL BE ABLE TO:

- Understand and practise the **skills** and **techniques** associated with the key phases of the **negotiation process**
- Use and respond to **negotiating tactics**
- Improve the quality of the **information exchange**
- Ask **questions** and **listen** effectively to understand the other party
- Use a common negotiating **language** and preparation process with our online **preparation tool**
- Structure the **opening exchanges**
- Use **adjournments** effectively
- Understand the different **roles** in a negotiation team
- Maximise the **profitability** of every deal

Our learning model

Negotiation is a live, interactive process. To reflect this, our learning model involves our expert coaches carefully guiding you through a combination of theory and immersive interactive exercises, culminating in a Scotwork “Negotiation Case Play” which gives participants the opportunity to practise and embed what they have learned.

More than just a workshop

By researching your capabilities and needs beforehand, we ensure the workshop is relevant to your working life. And, because this one-day course is just a first step on your lifetime of skills development, we also support your post-course learning with a wide choice of free tools and resources.

BEFORE:

DISCOVER CALLS

One-to-one conversations to capture your individual needs and business challenges, to ensure learning objectives are prioritised.

NEGOTIATION SKILLS CAPABILITY SURVEY

Measure company-wide negotiation competence by assessing your organisation's negotiating culture strengths and weaknesses. (Optional)

YOUR 1-DAY WORKSHOP

The course itself consists of a day of immersive training. It's intensive but great fun! Part theory, but with an emphasis on live exercises and case-play.

AFTER:

POST WORKSHOP REVIEW

Workshop evaluation and follow-up to determine your future needs.

ONLINE EMBEDDING TOOLS

A hub for making and managing all your deal-making preparations, now enhanced with AI.

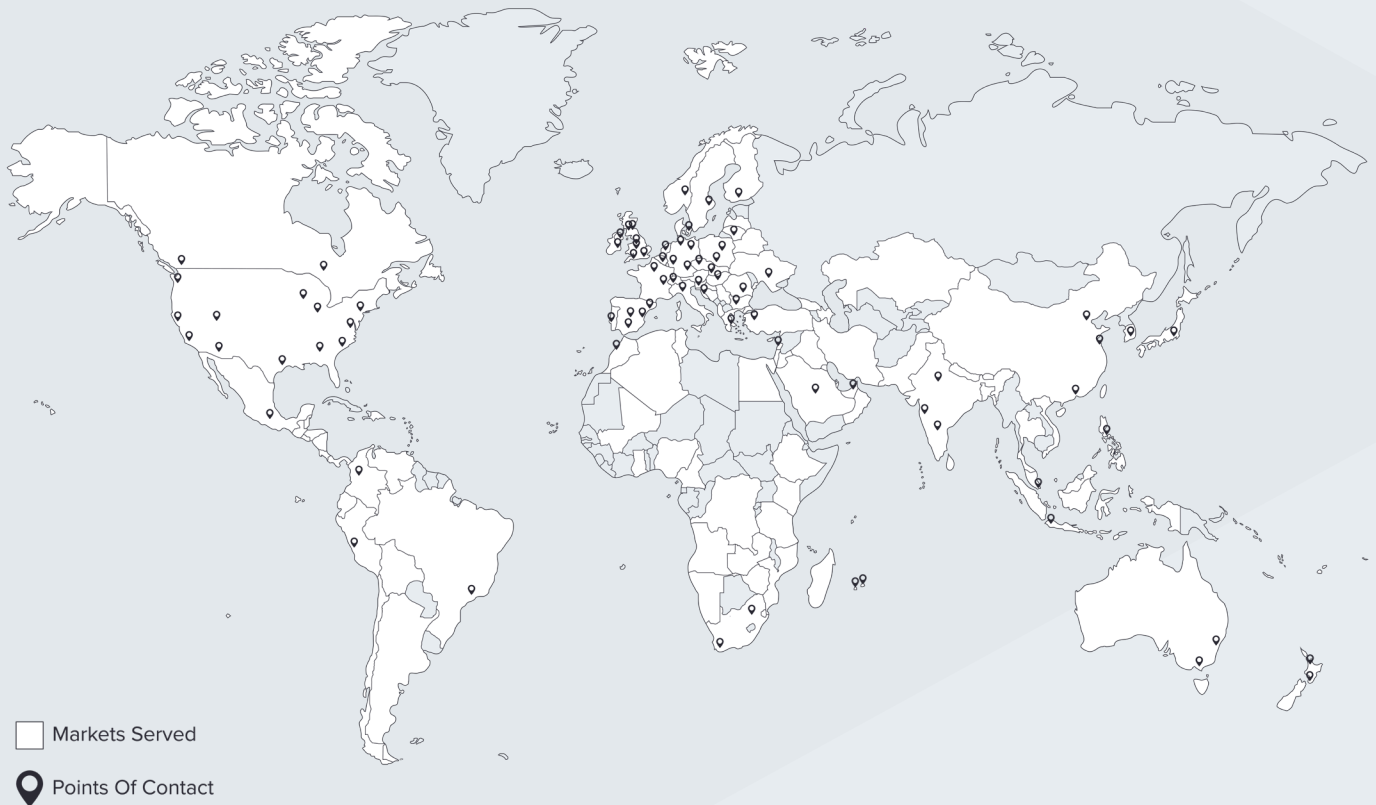

Next steps

The Foundation training is the beginning of your journey. Everything you learn on the Foundation Workshop is consistent and compatible with Scotwork's more advanced courses, which expand and hone your skills even further. Post-workshop, we provide a range of digital tools and content to help expand your knowledge and begin your own personal development journey to get the most from your negotiation training.
